August 2018

Welcome to the 2018-19 school year!

We are excited to meet our new friends and welcome back our old! We have a great year of learning and fun planned! Your child will be engaging in lots of daily learning opportunities, including sharing with friends, expressing his/her needs, using the toilet, washing hands, climbing, developing fine motor skills needed for writing, pretending, imagining, building, cleaning up toys, using manners and so much more! Every day will bring a new adventure and we are thrilled to be a part of it! Be sure to ask your child what he/she learned each day!

We invite you to join us for a
