Now that cold and flu season is upon us, Please reread the section in the Parent handbook on illness. If your child has a fever or has vomited within the past 24 hour, please keep him or her at home for another day to make sure the illness has truly passed. If your child looks like he or she doesn't feel well, or if you think he or she is coming down with something, trust your intuition and keep your child home for the day. We'll all be healthier and happier that way. Thank you ☺
